Our aim is to involve as many local people as possible in this exciting opportunity. Depending on the numbers who wish to volunteer, we may therefore have to limit the number of days you can take part. You will be able to experience several types of archaeological activity so please indicate overleaf those which you are interested in.

No experience is required; guidance and training will be given. All volunteers will undergo a short induction on their first day, so we ask that you commit to a minimum of TWO FULL DAYS. Please note that the first and last day of the excavation may involve an element of setting up and closing down the site.

The excavation will take place between **Saturday 13th August and Saturday 27th August 2022**. **The cost per day is £5**; this is a contribution towards general excavation equipment and costs and the provision of toilet facilities and refreshments. If you are not already a member of the Middle Nene Archaeological Group (MidNAG), you are required to join so that you will be covered under our insurance. Annual membership is £7 a year for individuals or £10 for a family. Full payment of the daily fee and membership is required in advance by cheque or bank transfer.

Please read the **Frequently Asked Questions** (FAQs) before you complete this form as the information it contains will help you.

Are you a member of any archaeological/historical society, other than MidNAG. If 'YES', which one(s)?
